Clement Fencing Academy

About CFA

- Clement Fencing Academy was established in 2014 by maître Christophe Clement from France. Currently over 200 full time members representing 42 nationalities participate in the sport of Fencing at CFA. With two strategic locations in Al Waab and West Bay, CFA is able to reach a broad base of diverse members.

CFA is affiliated to the French Fencing Federation and labeled as a French Fencing Club, proof of quality in trainings and educational programs.

- CFA provides subsidized training for all Qatari nationals and grooms them to join the Qatar National Fencing team. Through its partnership with Qatar Fencing Federation (QFF), CFA hosts frequent cross training programs inviting national athletes to compete and train with members of the club.
- CFA runs physical education and after-school programs for 1000 school students per year in Doha, aged between 6 and 16 years old.
- CFA supports Qatar National Vision 2030 : **Sport, Education & Health**, and strongly acts on 3 QNV's pillars : Economic, Human and Social Development.

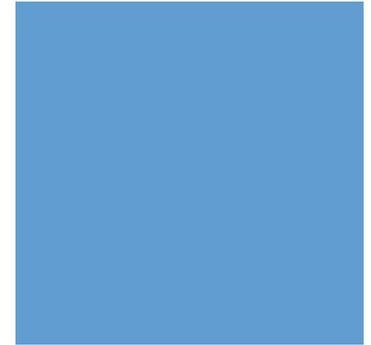

Christophe Clement

- Christophe has competed on an international level representing the nation of France. Over his fencing career he attained numerous medals on the world circuit and maintained a position in the top 20 in France for 5 consecutive years. He maintains a strong relationship with the French National Team and structures his programs in accordance to their training methods. The French Fencing Federation (FFE) is affiliated with and officially recognizes CFA as a French fencing academy outside of France.
- Christophe has launched and ran successful fencing programs in France that reached over 2000 participants. His hard work and dedication to the support ensure the growth of his initiatives. Christophe is able to implement proven methods and systems to grow the sport of Fencing within Qatar.
- Christophe served as a National Fencing coach for 7 years in the Qatar Fencing Federation. During that time his athletes achieved numerous medals for the country of Qatar.

Reach & Target

- In the past year CFA has grown to include over 200 active members, and 6 staff, representing more than 40 nationalities. CFA hosted a very successful event on Qatar National Sports Day with Ooredoo, attracting more than 1500 participants managed by 14 staffs and gaining media exposure through all major outlets. In addition to sports day, athletes from CFA competed in the Schools Olympic Program and won 8 medals including a podium sweep for the preparatory grades category.
- CFA is building on last year's success and hopes to broaden its reach in the coming year. CFA will be targeting over 1000+ new students by providing access to fencing to multiple schools. A new website has already been launched and digital marketing along with a structured PR campaign is soon to follow.

Schools Olympic Program

- Primary (Grades 3-4) - Gold, Bronze, Bronze
- Primary 2 (Grades 5-6) - Gold, Bronze
- Preparatory (Grades 7-9) - Gold, Silver, Bronze (Podium sweep!)
- Developing Qatari youth and preparing them for highly competitive fencing and selection with Qatar Fencing Federation

National Sports Day with

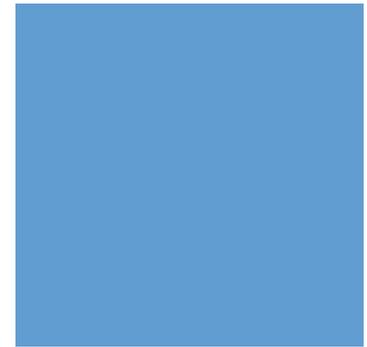

- Over 1500 participants of all ages
- Most popular event, media exposure through multiple outlets
- Dress-up photo booth attracted a very large audience
- Wheelchair fencing has been launched for the first time in Qatar

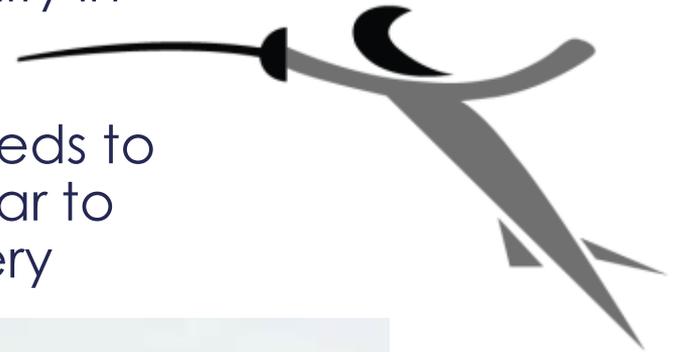

Wheelchair Fencing

- With the support of Ooredoo Charity, CFA is now able to provide a wheelchair fencing training within their facility.
- This initiative will help children and adults with physical disabilities develop their competitive spirit and compete in the sport of fencing.
- CFA is working on a collaboration with the Qatar Paralympic Committee to foster the sport to the best of their ability.
- Wheelchair fencing can be practiced by valid people ; it's a way of education and social acceptance.

Women and sport

- In September, CFA will launch dedicated woman classes based on the association of fencing with fitness and stretching.
- These programs will be complemented by offering home trainings opportunities for developing the sport woman community in Qatar
- As part of Social Responsibility, CFA needs to have the support of companies in Qatar to continue to offer these services at a very affordable price
