

PLURALITY OF IDENTITIES

The French-Qatari school Voltaire promotes quality education, open to the world and respectful of the plurality of cultures and identities that make it so rich.

HIGH QUALITY EDUCATION

Teaching and learning of excellence enriched by different languages, cultures and approaches, makes it possible to guarantee an academic pathway conducive to academic and professional success.

WELL-BEING

A school environment promoting "living together", well-being and fraternity from the small section of kindergarten to the final year.

FRENCH, NATIONAL AND INTERNATIONAL PROGRAMS AND EXAMS

The curriculum is rooted in French, national and international programs. The school responds to the wishes of families to enrich the personality of their children, from their own culture and from the culture of others.

05

GLOBAL CITIZENSHIP

An introduction to the principles of global citizenship throughout the school journey to enable students to be citizens of the world, free and responsible.

QUALIFIED STAFF

An education that relies on a teaching body and educational teams with proven academic skills working in harmony for the well-being of students.

QATAR'S AMBITION

Our project fits into Qatar's ambition to establish "an economy based on knowledge and education". The Voltaire project contributes to strengthening the privileged links between Qatar and France, through language, education and culture, daughters of knowledge.
